To Who it may Concern,

I am currently seeking a full or part time position as an EEG technician. I am a highly motivated; team orientated, and well organized young man with a vast knowledge for EEG.

As my resume depicts, I have substantial experience in the EEG field, which allows me to work confidently and efficiently. I am also willing to adjust to any work environment in order to secure a healthy and positive workplace for myself and all other teammates.

I welcome the opportunity to meet with you to discuss the possible employment with your company. I may be reached at the cell phone number and email listed above.

Sincerely,  
Brandon Mackie
